

## EXTENDED LISTING IN THE MAGAZINE FOR THE STUDENT FAIRS NORWAY 2021

The magazine will be handed out to all visitors at the fair(s) and contains useful information about the event and general articles about education and student life. There will be individual editions of the magazine for each fair, with the relevant floor plan, exhibitor overview and seminar program.

**We recommend ordering the extended listing to stand out in the exhibitor overview.**

**The extended listing includes:**

- Your contact info (email, tel and web address)
- Your logo
- Choose between:
  - 7 lines of info text about your institution *or*
  - Picture of your choice (70 x 23mm, 300 dpi)

**Prices for extended listing per fair:**

Lillestrøm and Oslo: 1835,-  
 Stavanger, Bergen and Trondheim: 1250,-  
 Kristiansand and Sandefjord: 890,-  
 Halden, Ålesund and Tromsø: 520,-

*All prices are quoted in NOK and exclude VAT*

### Do you require additional space to profile your institution?

You can order article or advertising space in the common pages, which will be included in all editions of the magazine. The magazine will be distributed to all visitors at the annual fairs and via electronic distribution prior to the fair period.

See next page for examples of extended listings in the fair magazine
